Copyright Material Request

I, Aimee Hand, request that you permit the inclusion of the described material in the thesis/report/practicum listed below and grant an irrevocable, non-exclusive licence to Memorial University of Newfoundland and to Library and Archives Canada to reproduce, lend or sell the material described below as part of my thesis/report/practicum. The title of the thesis/report/practicum is:

Factors regulating nuclear localization of MIER1 alpha isoforms

to be submitted in partial fulfilment of the requirements for the degree of Masters of Science in Medicine at Memorial University of Newfoundland.

Description of the Material to be Included

Asking your permission to use image 1A from your paper, Differential splicing Alters Subcellular Localization of the alpha but not beta isoforms of the MIER1 transcriptional regulator in Breast Cancer Cells, 2012 which I have adapted. The copyright statement states your name so I just want to check with you and make sure I have your permission to use it. I also want to state that I have enlarged the image due to an external examiner's suggestion and have also indicated the amino termini in the top image.

Permission of Copyright Holder

I, Jaclyn Clements,
